NIGERIA POWER SECTOR PROGRAM *in collaboration with the*
RENEWABLE ENERGY ASSOCIATION OF NIGERIA presents
Energy Sector Networking and Professional Development!

Are you a recent graduate? Are you interested in or already in the energy sector?

THIS OPPORTUNITY IS FOR YOU!

The Nigeria Power Sector Program (NPSP) in collaboration with Women in Renewable Energy Network under REAN is convening the first-of-its-kind “Energy Sector Networking and Professional Development” event in Abuja, Nigeria.

This is an opportunity for you to:

- Improve your knowledge on possible career paths within the energy sector
- Take advantage of opportunities for professional development and growth
- Expand your professional network in the power sector

You are eligible if you:

- Graduated from a tertiary institution 1-3 years ago
- Possess a first degree or Higher National Diploma
- Are interested in a career in the energy sector
- Will be participating in both days of the event
- Are a current National Youth Service Corps Member
